Thursday, March 22, 2012

9:30 AM to 3:45PM

Zion Church, 114 Zion Road, Clarion, PA **(new location)**

“The Nature of Grazing” is this year’s theme. Come and learn from the experts about improving soil health and harnessing the power of diversity to improve soil function, how setting goals; sifting through your options and managing with a purpose is key to a prosperous operation. We offer sessions on equine pasture management, managing weeds with multi-species grazing, and improving your bottom line with better record keeping.

The early bird registration fee is \$30 per person and includes a continental breakfast and hot buffet lunch. Payment is due by February 17, 2012. The late fee registration is \$50 per person and is due by March 7, 2012. [Pre-registration is required.](#)

The registration form and complete details of the conference can be found on the Headwaters RC&D website at www.headwaterspa.org

Headwaters RC&D and USDA-NRCS are equal opportunity providers and employers
